Preaching Mission at St. Paul's Church.

In response to the call of the General Convention, the governing body of the Episcopal church, for a Nation-wide Preaching Mission, the Rev. W. R. Black, rector of St. Paul's church has announced a series of services at St. Paul's church, to begin on Sunday, December 5th, and continuing through Sunday, Dec. 12th. The rector himself will conduct the services, and a cordial invitation is extended to everyone to attend.

This resolution, calling for this preaching mission, as passed at the last General Convention, setting forth its purpose is as follows:

"Whereas, Our age calls in no uncertain way for the revival of the prophetic ministry, and a re-emphasis upon the certain and unchanging words of eternal truth that pertain to salvation; and

"Whereas, A new accent needs to be placed upon the essential solidarity as well as the broad catholicity of a church that witnesses to and seeks to promote faith and order; therefore be it

"Resolved, The House of Bishops concurring, that this church in General Convention assembled registers its desire and will to undertake a Preaching Mission of Nation-wide proportions, that in its scope shall

be inclusive of the church, at large, and whose sole purpose and aim shall be the salvation of men through Him whose name is above every name."

This call is being obeyed by the Episcopal church throughout the length and breadth of the land, and in every parish and mission some special service is being held.

At St. Paul's church there will be daily services as follows: Holy Communion, 10 a. m., Monday, Wednesday and Friday; 7:30 a. m., Tuesday, Thursday and Saturday. A short instruction will be given on Monday, Wednesday and Friday at that time. Special sermons will be preached every night throughout the Mission at 7:30 o'clock, beginning Sunday, December 5th, and closing Sunday, December 12th. Children's services will be held on Wednesday and Friday at 4:00 p. m. The services will be as usual on the two Sundays of the Mission, except that evening service will be 7:30 instead of 4:00 p. m. No offerings will be taken up at the night services except on Sunday nights, and they will be used to defray the expenses of the Mission.

Due notice of the special sermons will appear in the columns of the local press, on the Sunday preceding the Mission.

A box has been placed near the door and it has been requested that

those seeking information regarding the history, doctrines and teaching of the Episcopal church, or questions not involving controversy, will write them out and place them in the box, stating the evening when they desire them answered and the rector will reply to them. There is no need of placing one's name to the question, but, if it is a personal question the rector reserves the right to decline to answer it publicly, but will, at any time, be glad to answer it privately.

A call to personal service, a consecration of self to the service of Almighty God and our fellowman is being sent out to every member of St. Paul's congregation, and the following prayer for the Mission is being used in preparation for it:

"Almighty God, who hast promised to hear the petitions of those who ask in Thy Son's Name, we earnestly beseech Thee to send Thy blessing upon the Mission of Thy church to be held among us and everywhere. Give Thy Holy Spirit to all whom Thou shalt call to proclaim the message of salvation, and dispose our hearts gladly to attend and receive the same. Prosper this and every other endeavor to extend the knowledge of Thy Name, so that Thy glory may be advanced, and many souls won through the merits and for the sake of Thy blessed Son, Jesus Christ, our Lord, who liveth and reigneth with Thee and the Holy Ghost, one God, world without end. Amen."

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill."

I wish every suffering woman would give

IT MUST BE TRUE

COLUMBUS READERS MUST COME TO THAT CONCLUSION

It is not the telling of a single case in Columbus, but a number of citizens testify. Endorsement by people you know bears the stamp of truth. The following is one of the public statements made in this locality about Doan's Kidney Pills:

J. M. Mize, 1309 Fifth Ave., S., Columbus, says: "I was down with my back and was unable to get around. The pain and lameness across my loins unfitted me for any thing. I couldn't stoop or lift, and the least exertion caused severe pain. My kidneys were out of order and caused me a lot of distress. In a short time after using Doan's Kidney Pills, I noticed their good effect. My back ceased to bother me and my kidneys acted properly."
